Dear Future Sponsor,

I am the head coach for the Robotics Team at Mountain Pointe High School. I would like to thank you in advance for taking time to read our letter and express interest in our robotics program. Pridetronics participates in the FIRST Robotics Competition (FRC) and the VEX Robotics Competition (VRC), where we compete with various teams from all around the world. In 2016 our team attended the First St. Louis Championships, and in 2018 we attended the First Houston Championships. In 2019, we competed as finalists in the First Arizona West Regional. In 2020, our team went virtual due to the pandemic, and we designed an entire game for the FIRST robotics season.

Robotics competitions teach copious amounts of technical and managerial skills, such as mechanical engineering, electrical engineering, 3D design, programming and business skills. Our students are aspiring engineers who are hardworking and dedicated individuals. We are in need of your support for our program. Registration costs for both the West and North Regionals is \$5,000 each. This does not cover travel or food costs. Additionally, we would like to send each and every one of our students to the national competition, but we need your help. Our team consists of 49 students. Can you help us today in sponsoring at least 1 student for this unique opportunity?

If you would be willing to help send our team to our competitions, please fill out the form below and send us an email, at nick.bonds@pridetronics.com, to let us know your interests in this sponsorship. Here are the potential benefits for sponsoring our club this year:

- _____ King of the Jungle: \$2000+ Large logo placed on robot, t-shirt, website. A team presentation will also be offered at your company (robot showcase, what we do as high school students)
- _____ Leader of the Pride: \$1000-\$1999 Large placed logo on robot, t-shirt, website
- _____ Member of the Pride: \$500-\$999 Medium placed logo on robot, t-shirt, and website
- _____ Gold: \$100-\$499 Small logo on website, t-shirt, and robot
- _____ Maroon: \$1-99 Small logo placed on website
- _____ In-kind Donation: Please indicate what goods or services you are willing to donate
- _____ Tax Credit Donation: \$200 for singles or \$400 for couples. See our website for more details (Please make sure to identify the Robotics Club as the activity).

Please make checks out to: "Mountain Pointe Robotics". If you have any questions, please contact us at nick.bonds@pridetronics.com. If you are a company sponsor, please send us a high quality image of your logo as well. Logos will be displayed on the robot at competitions
Visit www.pridetronics.com to see our website.

Thank you for your time and consideration,
FIRST Team 3853 Pridetronics
