Dear Future Sponsor,

I am a member of the Robotics Team at Mountain Pointe High School. I would like to thank you in advance for taking time and interest in our robotics team. Pridetronics participates in the FIRST Robotics Competition (FRC), VEX Robotics Competition (VRC), where we compete with teams from around the world. We also compete in the Arizona Robotics League (ARL) and Futureshaper Robotics Competition sponsored by Honeywell and the Arizona Diamondbacks. Our accomplishments in FIRST include: competing in the FIRST World Championships in 2016 and Houston Championship in 2018. In 2019, we finished in 2nd place at the Arizona West Regionals, where we won the Gracious Professionalism Award. In 2018 and 2022 Pridetronics mentors have won the Woodie Flowers Finalist Award. Finalists are then considered for the Woodie Flowers Award at the World Championships. Woodie Flowers Finalists are nominated by the students they mentor. Our FRC team has also competed in the Arizona State Championship for the past 8 consecutive years. Additionally, we have been recognized by the robotics community through judged awards including the Engineering Award for our use of a team contract which coordinates the various teams such as build, programming and electrical in building the robot. In 2022 we won the Arizona Robotics League qualifier and was a finalist in the championship. In 2023 our VEX team had also won a Future shapers competition.

Robotics competitions teach copious amounts of technical and management skills, such as Mechanical Engineering, Electrical Engineering, 3D Design, Programming and Business skills. Our students are dedicated individuals that are preparing to be engineers, managers, and other professionals. We are in need of your support for our program. FIRST season registration is \$6,000. Valley and East Regionals are \$5,000 each, Travel and additional costs for Championship is approximately \$30,000 as the entire team travels together. Our team consists of about 30 students each year representative of the diverse demographics of our school. Can you help us today in sponsoring at least 1 student for this uniquely exceptional opportunity?

If you would be willing to help our team, please fill out the form below and send it to us in an email to let us know your interest. Thank you for your time and consideration. Here are the potential benefits for sponsoring or providing funds for our club this year:

- _____ King of the Jungle: \$2000+ Large logo on the robot, t-shirt, and website with an optional virtual team presentation
- _____ Leader of the Pride: \$1000-\$1999 Medium logo on the robot and a large logo on t-shirts and the website
- _____ Member of the Pride: \$500-\$999 Medium logo on the robot, t-shirt, and website
- _____ Gold: \$100-\$499 Small logo on the website, t-shirt, and robot
- _____ Maroon: \$1-99 Logo on the website
- _____ In-kind Donation: Please indicate what goods or services you are willing to donate (showcase robot, logo on the robot)
- _____ Tax Credit Donation: \$200 for singles or \$400 for couples. See our website for more details

*Please make checks out to: "Mountain Pointe Robotics". If you have any questions, please contact us at the emails above. If your donation is eligible for a logo please email us a logo as well.

Sincerely,

FIRST Team 3853 Pridetronics

Dear Future Sponsor,

I am a member of the Robotics Team at Mountain Pointe High School. I would like to thank you in advance for taking time and interest in our robotics team. Pridetronics participates in the FIRST Robotics Competition (FRC), VEX Robotics Competition (VRC), the Arizona Robotics League (ARL) and Futureshaper Robotics Competition sponsored by Honeywell and the Arizona Diamondbacks.

Some of our recent accomplishments in FIRST include:

- 2012: Coopertition Award (judged award)
- 2016: Winner – Arizona West Regional, Qualified for the Championship event in St. Louis, MO
- 2018: Second Place (Finalist) – Arizona West Regional, Qualified for the Championship event in Houston, TX and advanced to elimination round, Imagery Award (judged award)
- 2019: Gracious Professionalism Award (judged award)
- 2022: Second Place (Finalist) – Arizona Valley Regional, Excellence in Engineering Award (judged award)
- 2018 and 2022: MPHS Mentors won the Woodie Flowers Finalist Award (student-nominated award which qualifies the mentor for national recognition) – Nyles Cody and Damon Dunsmore

VEX accomplishments include:

- 2015-2016 Season: Two-time Tournament Champion, Excellence Award
- 2016-2017 Season: Tournament Champion
- 2017-2018 Season: Judges Award
- 2022-2023 Season: Design Award

Other accomplishments include:

- 2016: Sanghi Invitational – AZ State Championship – Winner
- 2022: Arizona Robotics League (ARL) Winner – Qualifier Tournament, Second Place (Finalist) – Championship
- 2023: Future Shapers Competition – Winner
- 2023: Sanghi Invitational – AZ State Championship – Second Place (Finalist)

Robotics competitions teach abundant amounts of technical and management skills, such as Mechanical Engineering, Electrical Engineering, 3D Design, Programming and Business skills. Our students are dedicated individuals that are preparing to be engineers, managers, and other professionals. We are in need of your support for our program. FIRST season registration (which includes our kit of parts and registration to both the Valley and East Regionals) is \$9,000, not including team travel, meals, and robot parts. In addition, our team prepares annually for the Championship event, which is approximately \$30,000 as the entire team travels together. Our team consists of about 30 students each year representative of the diverse demographics of our school. Can we count on you to support our team this year with a cash donation?

If you are willing to help our team, please fill out the form below and email it to us to confirm your interest. Here are the benefits for sponsoring our club this year:

King of the Jungle	\$2,000 and up	Large logo on the robot, t-shirt, and website with an optional in person team presentation. Verbal sponsor recognition during team introductions at FRC events
Leader of the Pride	\$1,000 - \$1,999	Medium logo on the robot and a large logo on t-shirts and the website. Verbal sponsor recognition during team introductions at FRC events
Member of the Pride	\$500 - \$999	Medium logo on the robot, t-shirt, and website

Gold Sponsor:	\$100 - \$499	Small logo on the website, t-shirt, and robot
Maroon Sponsor:	\$1 - \$99	Logo on the website
In-kind Donation:	Please indicate what goods or services you are willing to donate	Based on donation value
Tax Credit Donation:	\$200 for singles or \$400 for couples	See our website for more details

The best way to make a donation is directly through our Booster Club. Please make checks out to: Mountain Pointe Robotics Club. If you have any questions, please contact us at the emails above. If your donation is eligible for a logo please email us a logo as well.

Sincerely,
